

## WEB DESIGN AND PROGRAMMING ACCOMPLISHMENT REPORT

Name: Christ bien tuiza.

Section:2-i.t 4

Group Number/ Project Title: Group 8/FoodSpot\_CyrusGan

My accomplishment report was to add in our project documentation in paper works. And some of the flow of the said website the design and the final outcome of our project. The majority of the students at City College of Calamba will benefit from this project, which the researchers present have chosen to undertake. The system's objective is to assist in locating the different vendors near the City College of Calamba. Additionally, our system was designed to make ordering food near the City College of Calamba simple and time-efficient.

*And also the UI of our website project.*
